XIII. PRIOR APPROVAL

PRIOR APPROVAL POLICY

Prior approval is defined as "the rehabilitation program and other record of service single purchase materials exceeding \$ 25,000.00 outlined in Section VI (Services) are reviewed or approved by a Supervisor before the services planned for are initiated or the rehabilitation program is implemented." The appropriate level Supervisor will review all cases requiring prior approval within 3 working days.

The Counselor or Unit Supervisor may request prior approval on a particular case, on types of cases, or on all cases.

PRIOR APPROVAL - NEW COUNSELORS

A Unit Supervisor's prior approval is required on all cases during a new counselor's 12-month probationary period. Approval will be required on all:

Authorizations for diagnostic services
