Department of Health Care Finance Informational Bulletin

DATE: June 30, 2023

TO: DD Waiver Providers

FROM: Angelique Martin

Senior Deputy Director, Finance

SUBJECT: DD Waiver January 1, 2023 Rate Correction for Supported Living and Residential

Habilitation Services

Purpose

The purpose of this notice is to communicate an error that was made in the published rates for Supported Living and Residential Habilitation Services effective January 1, 2023. During the update of the January 2023 rate, the Nursing component of the services was increased twice in error, resulting in a higher Per Diem rate than the increase should have been.

Remedy

The District is required to pay rates aligned with the approved Appendix K and therefore must correct the error immediately. On June 30, 2023, DHCF will update the impacted rates for the above-mentioned services to reflect the correct rate for the period January 1, 2023 through June 30, 2023.

Claims that were submitted by providers and paid by DHCF using the incorrect rates published by the District will not be held liable. In the coming weeks, affected providers will see the adjustments on the Remittance Advise (adjusting the error) and an offsetting payout equal to the amount identified in the claims reprocessing. This will result in a net impact of zero to the affected providers.

All other claims that have been submitted using codes other than the ones with error (i.e., July 1, 2022 rates) can be resubmitted but will be paid the corrected rate. All claims submitted on or after June 30th forward for services rendered January 1 through June 30, 2023, will be reimbursed using the revised rates listed below.
