FEE SCHEDULE FOR REHABILITATION SERVICES

1. Each service provider who is subject to District of Columbia or other state licensure or certification requirements shall provide evidence of a valid license or certification before the Rehabilitation Services Administration may authorize the provider to render services to its clients. The provider shall maintain licensure or certification during each period of rendering the authorized services. Providers selected must be authorized prior to rendering services as a District vendor pursuant to the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371, effective April 8, 2011, and codified at D.C. Official Code § 2-351.01 *et seq*.).

2. Each college or university shall be accredited by an appropriate District, state, or national accrediting organization before the Rehabilitation Services Administration may authorize a client to attend that institution or authorize payment to that institution.

3. A private career or proprietary school or other institution subject to regulation shall provide evidence of a valid license, certificate of approval or certification issued by the appropriate licensing or accreditation authority authorizing the institution to provide the specific courses of instruction or services the individual is seeking before the Rehabilitation Services Administration may authorize an individual to attend that institution or authorize payment to that institution.
