Guide to Jobs and Related Vocational Training and Education Programs

Introduction

This guide lists jobs in the DC area's top-5 high-demand industries listed below, along with links to their respective O*Net Summary Reports, videos of the jobs being performed, and links to related vocational training, Job Corps training programs, and local public college and community college certificate and degree programs.

Hospitality   **Healthcare**   **Information Technology (IT)**   **Security**   **Construction/Building Trades**

Job Corps website

Job Corps is a no-cost education and vocational training program administered by the U.S. Department of Labor that helps young people ages 16 through 24 improve the quality of their lives through vocational and academic training. **The upper-age limit shall be waived for individuals with disclosed disabilities who meet all other eligibility requirements.** (The minimum age requirement of 16 remains the same regardless of disability status.)

Local Public Colleges/Community Colleges

Students interested in enrolling in a listed college or community college degree or certificate program should be encouraged to enter through the disability support offices and access available support and resources to help ensure successful program completion. Information for students with disabilities who are preparing to attend postsecondary schools: *Students with Disabilities Preparing for Postsecondary Education: Know Your Rights and Responsibilities* –U.S. Department of Education

The College Board website

The College Board prepares students for a successful transition to college through programs and services in college readiness and college success. Click here for contact information.

Community College Preparation Academy website

Community College Preparatory Academy offers vocational training and ACCUPLACER exam preparation and assistance to facilitate successful entry into community college programs. Click here for contact information.

Tutoring and Academic Support

Tutoring and Academic Support services providers are available to DDS/RSA clients through agreements with the following providers (click provider name for program/contact information):

Art and Soul Solutions, Inc.

Bradley & Associates

Club Z!

College Living Experience (CLE)

Pendergrast Alston Consulting Services

Occupation and labor market information

Click here to research job postings and the local labor market at the DC Networks website. Salary and labor market information may also be accessed via O*Net Summary Reports, by clicking on the "Local Salary Info" and "Employment Trends" buttons listed under the "Wages & Employment Trends" heading.

Potomac Job Corps Center (program also available at Woodland Job Corps Center, Laurel, MD)	Certificate (comparable benefit)
National Children's Center (NCC) Career Academy	Certificate
United Planning Organization (UPO)	Certificate (comparable benefit)
Note: Dietary aides typically work at hospitals or nursing homes and assisted living facilities and must pass a thorough background check. Preferred or required qualifications include culinary training or food service experience and a safe food-handling license. Responsibilities include assisting residents or patients with menu selections, preparing and serving food and beverages, and cleaning trays, dishes and utensils, although cleaning and dishwashing duties may be performed by kitchen stewards. Dietary aides must be detail oriented and possess excellent customer service skills. The ability to use a computer may be required to assist residents or patients with ordering menu items. Some dietary aides are nursing assistants, making applicants with culinary training/experience and a CNA license highly marketable.	

Additional hospitality training opportunities:

MGM Casino National Harbor (multiple positions)	
Education/Training Provider	**Degree/Certificate**
Amala Lives Institute	Certificate
Prince George's Community College Hospitality Express Training Program	Credentials
Note: PGCC's Hospitality Express Training Program offers training and employment preparation for multiple positions in the following areas: Food & Beverage Services, Casino Operations, Hotel Operations and Retail Operations.

University of the District of Columbia–Community College	[AAS Degree](#), Computer Science Technology*
Montgomery College	[AA Degree](#), Information Systems** or [AA Degree](#), Computer Science**
Prince George's Community College	[AS Degree](#), Computer Science [AS Degree](#), Information Science Option***
Northern Virginia Community College	[AS Degree](#), Computer Science
ASM Educational Center	[Certificate](#)

Note: Community college computer science and information science programs prepare students for entering the workforce or transferring to bachelor degree programs.

*UDC-CC's associate's degree program prepares graduates to work directly in the field of computer programming and/or to transfer to a related 4-year degree program. Graduates of this program may go on to pursue certification in C++ or Java languages."

** Montgomery College's Computer Science and Technologies program offers students the opportunity to earn an AA degree in Information Systems or an AA degree in Computer Science, in preparation for bachelor's degree programs.

***PGCC's AS Degree, Information Science Option program can be used by students transferring to the University of Maryland Robert H. Smith School of Business as Information Systems majors.
