**RE:** Revised ICF-IID Level of Care Determination Policy

Effective July 17, 2023, DDS releases its revised ICF-IID Level of Care Determination Policy (2023-DDA-POL002). The Policy and Procedure are applicable to all DDS employees responsible for activities associated with the receipt and processing of applications for DDA services and supports and to all employees responsible for activities necessary to determine or redetermine an applicant’s eligibility to receive DDA services and supports.

These revisions implement, and align the agency’s policy with, the “Developmental Disability Eligibility Reform Amendment Act of 2022,” which expanded eligibility for DDA services to people with developmental, but not intellectual, disabilities. The attached policy is available online at [ICF-IID Level of Care Determination Policy](#)

If you have any questions about this policy or procedure please contact Robin Exton, Program Manager, Service Coordination and Planning Division, at (202) 730-1559 or [Robin.Exton@dc.gov](mailto:Robin.Exton@dc.gov).
