Memorandum

To: DDA Provider CommunityFrom: Shasta Brown, Supervisory Service Coordinator

Date: October 22, 2015

Re: Guidance for printing an ISP and Supporting Documentation

The purpose of this memorandum is to provide guidance on printing an ISP and the supporting documentation. As of October 20, 2015, Providers are receiving an email notification when annual/amended ISP's are approved by the Supervisory Service Coordinator. The recipient(s) who are identified to receive the email are listed in MCIS; under provider; email tab. Please confirm that the email addresses in MCIS are correct.

Provided below is an example of the notification email.

Subject : "ISP FINAL APPROVED FOR "<person name> Body of the email: ISP Approval For "<person name> This is to notify you that the ISP for " <Person name" has been approved. Effective From Date: <Isp Effective date> Effective To Date: < Isp end date> Approval Comments: <approval comments>

Providers are required to print and/or upload a copy of the new ISP and supporting documentation upon receipt of the above email. The new ISP and supporting documentation (if applicable) should be placed in the person's file and/or electronic record within one business day of receipt of the above email.

Provided below are the steps for printing/uploading an ISP and Supporting documentation:

Printing/Uploading the ISP

Ensure the ISP is filed and/or uploaded into the person electronic record within one business day of receiving the email notification.

Step 1

Log into MCIS; select consumer tab; click on ISP:
