

DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF FINAL RULEMAKING

The Director of the Department of Health Care Finance (DHCF), pursuant to the authority set forth in an Act to enable the District of Columbia to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat. 774; D.C. Official Code § 1-307.02 (2012 Repl. & 2013 Supp.)) and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2012 Repl.)), hereby gives notice of the adoption, of a new Section 1925, entitled “Individualized Day Supports Services”, of Chapter 19 (Home and Community-Based Services for Individuals with Intellectual and Developmental Disabilities) of Title 29 (Public Welfare) of the District of Columbia Municipal Register (DCMR).

These final rules establish standards governing reimbursement of individualized day supports services provided to participants in the Home and Community-Based Services Waiver for Individuals with Intellectual and Developmental Disabilities (ID/DD Waiver) and conditions of participation for providers.

The ID/DD Waiver was approved by the Council of the District of Columbia and renewed by the U.S. Department of Health and Human Services, Centers for Medicaid and Medicare Services, for a five-year period beginning November 20th, 2012. Individualized day supports services provide crucial habilitation supports in the community to ensure that a person’s social skills are enhanced outside of his/her home to foster independence and encourage community integration. These rules amend the previously published final rules by: (1) establishing that providers of individualized day support services shall possess at least one (1) year of experience providing day services to individuals with intellectual and/or developmental disabilities instead of five (5) years of experience; (2) amending the list of documents that providers shall maintain for monitoring and audit reviews by adding a contingency plan to describe how the individualized day supports will be provided when the regular staff person is unavailable and/or when back-up staff is unavailable; (3) changing the name of the individualized activity plan to “community integration plan” and revising its components; and (4) clarifying words and/or phrases to reflect more person-centered language and simplify interpretation of the rule.

A Notice of Emergency and Proposed rulemaking was published in the *D.C. Register* on January 17th, 2014 at 61 DCR 00458. One comment was received and no substantive changes have been made. Section 1925.5(f) was deleted because it was redundant and contained the same requirements as set forth in section 1915.5 (e). The final rules were adopted on February 20, 2014 and shall become effective upon publication of this notice in the *D.C. Register*.
