

Key to DDS Crosswalk to the HCBS Settings Rule Requirements

This is used with Provider Performance Review, the Personal Assessment Tool, Provider Self-Assessments, Provider Certification Review, etc.

(February 2016)

Label	HCBS Settings Requirement
(a)	The home ensures a person's rights of privacy, dignity, respect and freedom from coercion and restraint.
(b)	The home optimizes a person's initiative, autonomy, and independence in making life choices.
(c)	The home facilitates individual choice regarding services and supports, and who provides them.
(d)	The home provides opportunities to seek employment and work in competitive integrated settings, engage in community life, and control personal resources.
(e)	The home is integrated and supports access to the greater community.
(f)	The home provides opportunities to engage in community life.
(g)	The home provides opportunities to control personal resources.
(h)	The home provides opportunities to receive services in the community to the same degree of access as individuals not receiving Medicaid HCBS.
(i)	The home is selected by the person from among options including non-disability specific homes and a private unit in a residential setting.
(j)	If provider-owned or controlled, the home provides a specific unit or dwelling that is owned, rented, or occupied under a legally enforceable agreement.
(k)	If provider-owned or controlled, the home provides the same responsibilities and protections from eviction as all tenants under landlord tenant law of state, county, city or other designated entity.
(l)	If the home is provider-owned or controlled and the tenant laws do not apply, the state ensures that a lease, residency agreement or other written agreement is in place providing protections to address eviction processes and appeals comparable to those provided under the jurisdiction's landlord tenant law.
(m)	If provider-owned or controlled, the home provides that each person has privacy in their sleeping or living space.
(n)	If provider-owned or controlled, the home provides units with lockable entrance doors, with appropriate staff having keys to doors as needed.
(o)	If provider-owned or controlled, the home provides people who are sharing a place to live with a choice of roommates.
(p)	If provider-owned or controlled, the setting provides people with the freedom to furnish and decorate their sleeping or living space within the lease or other agreement.
(q)	If provider-owned or controlled, the home provides people with the freedom and support to control their schedules and activities and have access to food any time.
(r)	If provider-owned or controlled, the home allows people to have visitors at any time.
(s)	If provider-owned or controlled, the home is physically accessible to the person.
