## Meeting Attendance Concerns

The ongoing issue of meeting attendance by appointed members is becoming even more problematic... Elver Ariza-Silva and Marshal Thompson plan to do outreach to current members to encourage attendance, as well as, reach out to additional community stakeholders.

Andy Reese and Marsha Thompson gave a brief update on progress the CSNA. San Diego State, the selected vendor, had made progress in gathering data through interviews, meetings and surveys. They will be working these methods until mid-September.

## NCIL Conference - July 28-31, 2014

The NCIL Conference is scheduled for July 28-31, 2014. Elver Ariza-Yvonne Smith and Shileta Gorham were scheduled to attend. The meeting is to be held at the Grand Hyatt in the District.

## Youth Summit/Consumer Forum

There was some discussion of the upcoming Consumer and Youth Forum. Planning for this had not occurred timely for several reasons; notably, poor attendance and poor participation of the majority of the SILC members impacted this activity.

## Progress on Current SPIL

The current SPIL was addressed briefly. Darnise Bush reminded us that the 704 Report will outline progress or lack thereof.

## Fiscal Agent

We have not finalized the fiscal agent at this time, as there is continued discussion as to the real need for the cost at this time.
