Hi Darnise –

It was nice speaking to you.

Your commission/board should be included on the BEGA site. Below you will find a link to the list of boards and commissions, and a link to the central calendar of meeting dates of all boards and commissions. Please let me know if you would like to be set up as a point of contact to post information on the site. If you will not be the point of contact, please provide the name and email address of the person who is the appropriate point of contact.
