Effective May 12, 2023, the District will return to operations as approved in the base waivers and begin a phaseout of companion services authorizations that were granted in place of day services that could not be accessed due to the COVID-19 pandemic. - Beginning on the date that the PHE ends, May 11, 2023, Companion Services will not be authorized for more than three (3) days a week per the aforementioned criteria.

ⁱ Numerous changes that the state may want to make may necessitate authority outside of the scope of section 1915(c) authority. States interested in changes to administrative claiming or changes that require section 1115 or section 1135 authority should engage CMS in a discussion as soon as possible. Some examples may include: (a) changes to administrative activities, such as the establishment of a hotline; or (b) suspension of general Medicaid rules that are not addressed under section 1915(c) such as payment rules or eligibility rules or suspension of provisions of section 1902(a) to which 1915(c) is typically bound.
