## Americans with Disabilities Act

---

Celebrate the ADA! July 26, 2022

Today we celebrate the civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, schools, transportation, and all public and private places that are open to the public. The ADA makes sure people with disabilities have the same rights and opportunities as everyone else.

**Thank you for your efforts to help people we support live life their way. #ADA32**

Our next **Employee Q & A with the Director** takes place **Friday, August 5**. Based on feedback from an employee survey, the hour-long session will include presentations from various units. Next month, our Financial Services Unit will provide an overview of how they support the mission of our agency. We'll also learn more about the DDS Racial Equity Action Plan (REAP): What It Is, How You Can Help.

Please submit your questions by Friday, July 29, to [Employee Forum](#). The chat box will be open for comments and questions. Check your Outlook calendar for log-in details.
